Panorama Of Finance And The Markets.

As one would expect of a great metropolitan newspaper having the facilities of THE CHICAGO RECORD HERALD, that paper always covers the market and financial and commercial intelligence generally in a sensational fullness, covering two or three pages of each issue. The quotations of stock, grain and produce, stocks and bonds, and in fact every commodity and financial market in which the people of the Northwest are interested, are to a high degree complete and accurate.

Special columns tell the story of finance abroad. The "Speculative Gossip," "Wall Street Talk" and "Marine-Street Notes" are features of THE CHICAGO RECORD HERALD market page that interest speculators from the Pacific to the Atlantic coast. They tell of the major currents in the grain and security markets. They relate particularly to oil wells, pits, in its way as important is the humdrum and routine part of the day's story of speculation. The Wall Street market is given a minute summary of the daily history of Gotham's money market in a most interesting and instructive fashion. Examine the market page of any issue and see for yourself.

Are You Engaged?

Engaged people should remember that, after marriage, many quarters can be avoided by keeping their digestion in good condition with Electric Bitters. S. A. Brown, of Bennington, Vt., says, "For years, my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once and finally made her entirely well. She is now strong and healthy." Webb Bros. manufacture and guarantee them, \$1.00 a bottle.

Baby a Miniature Sandow.

A baby boy belonging to a Dutch family in Belfast (northern Ireland), shows remarkable muscular development. He is 11 months old, and has arms and legs as stout as those of an ordinary boy of ten years. He plays with weights of seven and one-half pounds each. Although he cannot walk, he can, while sitting on the floor, lift a heavy chair.

Blind Opening Eyes Now.

Some wood cutters in the forest near Klingnau, Germany, have turned up a treasure consisting of \$25 French gold pieces of the seventeenth century. It is believed that the money was hidden after the battle of Blenheim by French soldiers in their flight. The battle took place in 1704, and the French were absolutely routed by the Duke of Marlborough and Prince Eugene.

Cured of Large Back After 15 Years of Suffering

"I had been troubled with a lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Fisher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by Webb Bros.

Bump Restores Her Sight.

A hard bump on the head has restored the sight of Miss Hortense Rock, of Perth Amboy, N. J., who had been blind six months, as the result of a blood clot resting upon the optic nerve. Thrown from a sled, Miss Rock's face was lacerated. When the bandage was removed she found that she could see clearly. The shock had dislodged of the blood clot.

A Remedy Without A Peer.
